Dear Breckenridge Fine Art Collectors and Friends,

Our 13th Winter Season is upon us here in Breckenridge, coinciding with our 24th season in Vail, and we are looking forward to welcoming old and new friends alike into the galleries!

The two signature Russian Masterpieces above, "The Steel Workers" and "Rachmaninoff, Gorky & Shaliapin" are both by deceased Soviet Era master painters. We invite you to view these treasures in both our Breckenridge Gallery and our Vail Fine Art Gallery in the Solaris building in Vail. We are thrilled to announce the release of both of these images in a hand-embellished limited edition giclee. Both are now available for immediate ordering.

We also are proud to announce that both of these original oil paintings are now available for our collectors to purchase. These two fabulous masterpieces have been viewed and enjoyed by thousands of people, and are known the world over.

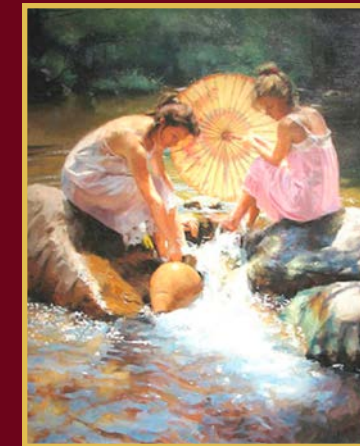

Well known figurative painter Henry Asencio and amazing landscape artist Jerry Georgeff, as well as highly acclaimed sculptor Angela Mia De la Vega will all be working live during their individual exhibitions in the gallery this winter. Please join us to meet these outstandingly talented artists.

Sincerely,
Jim Tylich - Gallery Owner
